The Intercollegiate Meet.

By a streak of fortune, good or bad, depending on the viewpoint, Hamilton College is this year to be favored with the annual meet of the State Intercollegiate Athletic Union on Steuben Field. The event will as usual occur on Decoration Day and will be the big affair of the year for track athletics. It had been intended to hold the meet in Utica, but Manager Scoon, who has it in hand, was unable to procure the Utica Park because of a ball game scheduled to be played there on May 30. As there was no alternative, it was agreed that the meet should be held on our campus. This will give Hamilton the advantage of being Johnny-on-the-spot and will mean that the whole College will be out to the games. Everybody should feel a personal responsibility for the success of the meet on our own grounds.

The entries have already closed, and all three colleges who constitute the Union have been heard from. Colgate has the biggest field entered with thirty-nine entries, which include some crack men, not omitting the redoubtable Castleman, who will run in the dashes, the hurdles and participate in the broad-jump and shot put. Rochester will be represented in all of the events, and has 18 entries. Hamilton's entry will be about 25, and will include the same men as in the St. Lawrence meet, with the exception that Spencer and Holley will not be entered in the broad jump.

The coming meet will be the tenth annual contest of its kind held in the history of the Union. It promises to close the first decade of the career of the Union with a signally successful meet. According to the dope sheet Colgate, who won the championship last year, looks good for first honors again this year, but it is a foolish man who relies on such doctrine of antecedent probability, and Hamilton will go into the contest with her usual grit, and can be depended upon to put up a fight for

first honors. There will be a handsome banner as the point trophy for the college that wins out, and although there will be no individual point trophy, there will be gold, silver and bronze medals for all of the events, costing \$60 in all. The officials for the meet have not yet been announced except Madison Walker, of Utica, a Swarthmore man, who will act as starter.

The 1907 Hamiltonian.

That long-endured query, "When is the *Hamiltonian* coming out?" is answered and the *Hamiltonian* has made its debut on the Hill. Though somewhat smaller than last year's book, it compares favorably with it. The binding is in the class colors, maroon and grey, which makes a very attractive looking cover. As for its contents—well, to criticize it is to criticize all its predecessors, for it has their failures and their virtues. There are two hundred and forty pages given up to the regular departments. The frontispiece is a drawing by Day, '07, who has a number of cuts in the volume, none of which quite equals his illustration in drawing the Athletic Department. This drawing is a remarkably fine piece of work.

Following the Apologia is a full page picture of Prof. Davenport, to whom the book is dedicated.

A feature of the book is the number of cuts made from drawings drawn by members of the student body. These are all well done and add greatly to the interest of the book. The one illustration perhaps the most deserving of mention is Miss Pearle Fiddler's "Social Events."

While it is hard to get away from the conventional form, the board have tried hard and have succeeded in introducing some novel features. The Literary Department is an improvement over the past. Sixty pages are given up to it.

A glance at the book assures us that there are still with us a few poets of the

long-haired, inspired type. As to the prose, it is original and good. In short, the book is neat, well arranged, and a credit to the class in every respect. The board of editors are R. B. Peck, editor-in-chief; S. E. Gilbert, H. M. Schwartz, literary editors; E. C. Day, W. E. Mansfield, Jr., art editors; R. W. Swetman, business manager; E. H. Bright, E. W. W. Hoyt, W. Rood, advertising managers.

The board has done its work, now is the time for the college to do its part. Every man should buy at least one copy and so help in meeting the expense of publication.

Hamilton Wins Dual Meet.

Last Saturday morning promised an ideal day for the St. Lawrence track meet, bright and not too cool; but about 10 o'clock the sun retired for a while and a heavy, cool wind followed. However, at 2:45, the student body, part of the faculty, and some few visitors were on the field ready for the first event. On account of the poor weather no record-breaking could have been reasonably expected. Vincent and Sheard were St. Lawrence's best men, with Black, Hurlburt, Hitchcock and Cray backing them up as best they could. The first start of the afternoon—the 100-yard dash—was nearly a fluke. The unfair start obtained by Vincent, apparently unnoticed by the starter, cost us first place in that event. Sicard was but a scant five inches behind at the tape. In the next event—the shotput—Grossmeyer was an easy first, with Hurlburt second for St. Lawrence and Cody third. From this on everything was Hamilton. In the 120-yard hurdles Holley took first place from Black in a handy style in 17 1-5 seconds, leaving every hurdle standing. In the second heat, Sicard and Wilson took first and second, but on account of the better time of the first heat Black was given third in the finals. In the broad jump there was no contest whatever, St. Lawrence having no men who

even threatened third place. The mile run was another walk-away, Smith and Meeker loafing all the way. In the 440-yard dash Spencer gave us a surprise by leading the string up to within five yards of the finish when Bramley passed him and took first place, Vincent passing the line a poor third. In the 220-yard dash, Vincent, who had been in nearly every other event up to that, gave out. He ran about fifty yards of this when he gave out and fainted. He was carried into Carnegie and quickly revived. In the 880-yard dash Grossmeyer had things his own way, at no time using his best speed. The high jump was ours from the first jump, Carroll, Bagg and Hull tying for first at 5 feet 3 inches. The hammer throw went to Thompson with no close second. The pole vault was a disappointment, Sheard taking first place at 9 feet 6 inches, Scoon, Holley and Leavenworth tying for second. Leavenworth, in practice, has repeatedly cleared 10 feet, and it was a disappointment to many that he did not come up to his best. The final score of the meet was St. Lawrence 27, Hamilton 90.

The results were as follows:

100 Yards Dash—Time, 10 4-5 seconds. Six men qualified. Won by Vincent (St. L.); second, Sicard (H.); third, Roenke (H.) St. Lawrence, 5; Hamilton, 4.

120 Yards Hurdle—Time, 17 3-5 seconds. Won by Sicard (H.); second, Holley (H.); third, Black (St. L.) Hamilton, 8; St. Lawrence, 1.

The Baseball Trip.

The baseball team left Thursday morning on the most important trip of the season, playing Syracuse Thursday afternoon, Hobart on Friday and Rochester on Saturday. Syracuse won from us last year by a score of 6 to 2. The Rochester game this afternoon should be a close one. Though we won from them earlier in the season we are by no means sure of today's game. They defeated Colgate by a score of 2 to 1.

Hamilton Defeats Middlebury.

On May 18th the 'Varsity added another victory to the season's schedule by defeating Middlebury on the Campus, the score being 10 to 2. The day was warm and was ideal for baseball. The game promised to be interesting at first, but after the third inning it was all Hamilton's game. Haven pitched his usual steady game and received splendid support from White. LeMunyan and Smith excelled at bat. Haggerson was unusually weak at short. He seems to be too sure of his chances. Middlebury could not connect safely with Haven's delivery, and their errors were costly. Holmes and Duff secured most of the visitors' hits. They scored once in the fifth on two hits, a fielder's choice and a stolen base. In the ninth, when Judson had relieved Haven, they tallied again on two singles, a base on balls and a long fly. With three men on bases, a double play retired the side. Hamilton scored three times in the second on Middlebury's

errors, aided by a base on balls and Shephard's wild pitches. Two more came in the third on a base on balls, a long fly, a hit and Beane's error. In the fourth we crossed the plate four times on three singles, as many stolen bases and an error. The seventh saw our last run. The score:

THE OUTCOME OF THE DUAL MEET with St. Lawrence was better for Hamilton than the most sanguine had prophesied. We felt sure of winning by a good margin, but did not expect such a decided victory as was ours. The team showed some good coaching. We were sure that Coach Watson would do well with the track men, and he has in no way disappointed us. Our chances in the Intercollegiate which is to be held on the Campus Wednesday afternoon are better than they were a year ago. We will enjoy the advantage of competing on our own field. This should give the men confidence, which is so much needed in a track meet. With some reason Colgate expects to win. However, this is no cause for discouragement. The team is going to fight for every point and needs good support from the College.

THE DEPARTURE OF APPEARING in informal dress at the Freshman Frolic, which has been recently proposed, is of doubtful merit. Such informality would not only detract immeasurably from the metropolitan aspect of the affair, but would also tend to cheapen

it. The idea of programs and advance cards for such an informal gathering would be ridiculous. There are only four formal dances given by the College, and such a tendency toward the 25-cents-a-head barn dance is bound to create no little adverse criticism. If the Freshmen wish to give a successful and creditable Frolic, let them adhere to the precedent of former years.

WITH THE PASSING of another successful Interscholastic Day the College once more feels that it has at least made an effort. Whether or not there will be any good results in the line of Freshmen for next year is uncertain. There are those who believe that Interscholastic Day is of questionable merit. They claim that it is impossible to point out a single advantage that the College realizes from it. This seems like a narrow view. Possibly we do not reap a harvest of Freshmen as a result of our efforts on this day, but surely we have an opportunity to introduce ourselves and to show the College to a goodly number of prep. school men. When you stop to think we are quite well and far removed here on this Hill, and if we do not offer some inducements in the form of entertainment we cannot expect to impress upon the scholastic world that Hamilton is a superior place. To be sure it is an expensive occasion for us and possibly not the pleasantest. But these are weak arguments against it. The College is and should be willing to go to some expense and trouble to get Freshmen.

This year we had a large number of sub-freshmen from some good schools. They were well entertained and we believe went away with favorable impressions of Hamilton and her hospitality. If some of them do not enter here next fall then Interscholastic Day is not worth while, and should be omitted from our program next year.

The Union Tennis Match.

The tennis team was defeated Wednesday by the team of Union University at Schenectady, the final score being 4 to 2. This defeat is the first one that a Hamilton tennis team has ever suffered and it is therefore very keenly felt by

the team and College. After our overwhelming victory over Syracuse and their subsequent victory over Union, things looked extremely bright, yet it must be said that it was by straight tennis that Union won and not by any fluke. Their game was far superior to the exhibition that Syracuse gave here, and Union's defeat at the hands of the latter can only be explained by the fact that on the day of that match there was a high wind blowing, which materially interfered with the strokes of the Union team, thus giving the victory to the surer, though less brilliant players. Wednesday, however, was an ideal day on the courts and a large crowd witnessed the matches, which were at least very interesting.

Sicard started out by beating Vincent, the captain of the Union team, in two easily won sets. Sicard's net game proved too much for his opponent, although the latter played a very consistent game. The sets were 6-1, 6-3.

The most brilliant exhibition yet freakish as far as scores are concerned, was the playing of Fuller, Day's opponent, in the singles. Fuller is an ex-Cornell player and he showed conclusively by his speedy forward stroke and reverse twist that he was no novice at the game. The scores of this match were 6-4, 1-6 and 6-0.

Sherman's playing was not up to form. After winning five games straight from Curtis, he lost thirteen straight, thereby losing the match, 1-5, 6-0.

Potter next beat Bramley in a good close match by the score of 6-3, 6-4. "Bram's" lobbing was very poor, while Potter played an eminently steady game throughout.

In the doubles Sherman and Sicard were beaten by Fuller and Vincent, Fuller's strokes again working much havoc. The scores were 5-7, 6-4, 6-2.

Bramley and Day redeemed themselves in the last match of the day, beating Potter and Curtis, 6-1, 6-3.

The team plays Colgate this afternoon on the College courts.

Tennis of the Week.

With the return of good weather all the matches in the first round have been played, and all but one in the second.

The following sets, have been decided: In the first round, Hopkins, '09, defeated Hoyt, '07, by default; Watson, '08, defeated Getman, '09, 6-4, 9-7; Heacock, '06, defeated H. Holley, '08, 6-4, 3-6, 6-3;

Roosa, '06, defeated Hull, '08, 6-0, 6-0; Jones, '08, defeated Ross, '08, by default; Wilson, '09, defeated Fraser, '08, 6-4, 6-2; Scoon, '07, defeated Smythe, '09, by default. In the second round, Aron, '09, defeated Leavenworth, '09, 6-2, 6-0; Watson, '08, defeated Fitch, '08, 6-0, 6-1; Spedick, '06, defeated Heacock, '06, 6-3, 6-3; Dunwell, '08, defeated Love, '09, 6-0, 6-2; Day, '07, defeated Hemenway, '07, 6-3, 6-2; Sherman, '06, defeated Roosa, '06, 6-2, 6-2; Conklin, '09, defeated Wilson, '09, 6-0, 6-1; Osborne, '09, defeated Felt, '09, 6-0, 6-2. In the third round, Simmons, '08, defeated Hopkins, '09, 6-0, 6-1.

There is considerable speculation as to the championship, and the finals will consequently be the more interesting.

In the challenge competition for the tennis team Simmons, '08, defeated Stryker, '06, 4-6, 6-2, 7-5, and Conklin, '09, defeated Simmons, '08, 6-0, 6-3. Entirely unheralded, Conklin has proved himself a very excellent player. His is not brilliant, but is sure and is exceptionally fine on the net and placing part of the game. He will, in all probability, meet Sherman, '06, third man on the 'Varsity, in the third round of the tournament, and a very close match is sure to result, with the chances slightly in Conklin's favor. In event of his winning this match he will not only win a high place in the team, but also will probably meet Day, '07, in the finals of the tournament.

By far the biggest surprise of the week turned up when Osborne, '09, defeated Bramley, '06, 1-6, 7-5, 6-4. The first set against him, Osborne pluckily began an uphill fight and won out. From this match the probabilities are that Osborne will join Conklin on the tennis team. It is gratifying to see such promising material in 1909.

College Notes.

—Mann, '06, is to be on the Hill again June first to take the Senior examinations.

—The Freshman baseball team defeated Clinton High School, Thursday, 26 to 3, on Steuben Field.

—The Freshman have two games with Clinton High School for Thursday and Saturday of this week.

—The Freshmen basket-ball team was entertained last Saturday by H. P. Osborn, at his home in New Hartford.

—The whole Freshmen Class were busy last Saturday, holding up the hurdles. Here is at least one instance of their ability.

—Hallock, '06, is to succeed F. Barrows, '07, as vice-principal of the Clinton High School. Barrows will return to College in the Class of '07.

—Wicks, '04, has accepted the position of private secretary to Dr. George W. Knox, '75, who is now president of Union Theological Seminary.

—The walk by the Arbor is an absolute disgrace to the College. That this has not been attended to by the proper authorities is a manifest example of negligence that reflects nothing but shame on these persons. To have an approach like this is not only deplorable but unbearable.

—We have it from the best of authority, that in spite of all hopes and prognostications, New South will not be ready for occupation next fall.

—In Sophomore debate Pratt turned to "Prex" with the statement, "We all know that the boss has his power here." Of course we know that he was speaking of politics, but then—

—Montgomery, '07, and Hull, '08, have won the honor of wearing a track H by their efforts in the St. Lawrence meet. Smith and Cody, '08, have won their baseball H this spring.

—There is to be a car for Utica at 3 a. m., June 7th, after the Freshman Frolic. The proposed price of tickets is 75 cents, but if forty people can be found who will buy tickets, the price will be only 50 cents.

—By the proposed schedule for next year, declamation has been divided into two sections. As the B section is scheduled for 2 p. m., it would seem that a half-holiday for Freshmen on Wednesday is to be a thing of the past.

—The Freshmen held a meeting Wednesday concerning the Freshman Frolic. The dance committee reported that the tickets for the dance will cost \$1.50. Westel White is to furnish the music for this occasion as also for the K. P. The class authorized the committee to spend not more than \$150.00 for the dance.

—The standing in the Freshman competition for *Life* stands to date as follows—Osborne, Felt, Rifenburg, Hopkins, McLean, Gooding, Busfield.

The Syracuse Game.

Thursday afternoon the team played Syracuse at Syracuse. The game was won by the Orange players, but it was by no means a walk-away. Last year Syracuse won 6-2 and this year they succeeded in making the score one better, winning a hard-played game by the score of 7-2.

For the first time this season the team faced a pitcher whom they were not able to hit safely. Davis pitched the first five innings for Syracuse and during that time fanned out nearly all the men who stood up to bat. Smith was our first man to get to first, doing so on an error by Rutherford. In the sixth, Watkey relieved Davis and allowed two hits during the remainder of the game. The features of the game were the batting and base-stealing of Syracuse and the

batting of LeMunyan for Hamilton. Ryan and Rutherford played well for Syracuse, Rutherford getting a home run the first time at bat. The climax of the game came in the ninth, when LeMunyan knocked out a home run. It was a beautiful drive, well placed, and "Jimmy" made it good by his sprinting ability.

The score follows:

The following letter was received the other day. It explains itself:

To the Registrar of Hamilton College:
DEAR SIR:—

Could you kindly inform me whether Hamilton College permits a man to earn his "letter" through debating.

Thanking you in advance for your kind reply, I beg to remain,

Sincerely yours,

—(sub-Freshman.)

This bit of correspondence illustrates the breadth of a certain kind of sub-Freshman ambition.

Among the Colleges.

St. Lawrence University, according to the *Laurentian*, is having a \$10,000 athletic field built.

The new rule passed by the faculty of Amherst barring Freshmen from inter-collegiate athletic events is not likely to be adopted at Williams unless similar action is taken by the other small colleges, principally Dartmouth and Wesleyan. The Williams athletic council states that it does not think the rule is needed at its college.

Amherst has received a gift of \$75,000 for the new biological and geological buildings from Andrew Carnegie, upon condition that the college raises an equal amount.

Brown is to erect a \$300,000 library as a memorial to John Hay, who graduated from the institution.

The University of Pennsylvania Christian Settlement Building has just been completed at a cost of \$60,000.

Among the new courses at Dartmouth are spoken and written Japanese.

Columbia has received \$1,000,000 for an athletic field.

The Harvard Summer School for 1906 will offer a list of seventy-five courses of study.

Harvard's co-operative store sells \$30,000 worth of goods to students yearly.

At the University of Michigan an organization has recently been effected to superintend class elections and investigate graft on the part of students at the head of college publications or social functions. All departments of the college elected members to the body, which is to be called the Senior Council.

The Harvard student body has decided to run a black list in the *Harvard Crimson* of the names of those ineligible for athletics on account of poor scholarship.

The baseball game between Yale and Cornell this spring is their first game in fifteen years. It will be played at Yale.
